State Research Update

Updated Framework Review

Draft Framework for Aligning Vocational Habilitation Service Delivery with State and Federal Requirements

Home and Community-Based Waiver Services 42 CFR 440.180 (c)(2)(i)			
What does it require?	How we can do it?	What systems changes will help make this work?	What tools can we create to make this work?
Prevocational services are for people not expected to join the general workforce within the next year or participate in a transitional sheltered workshop, except for supported employment. People who are paid are paid less than 50% of the minimum wage. The service is not used to teach a person a specific job but is used to help people learn the general skills needed to work in any job. Services are reflected in the person's service plan	When people receiving Vocational Habilitation are paid, the following guidelines will be used: 1. Compensation will be reviewed at least every 12 months to determine if the person has achieved the 50% of minimum wage threshold. 2. "Minimum wage" is the Ohio minimum wage. 3. The calculation will be based off of the state minimum wage and the Bureau of Labor Statistics (BLS) data. BLS tracks how many hours	Develop a guidance document on how to make the annual calculation. Amend DODD/OOD & DODD/Medicaid Interagency Agreements to reflect. Strengthen relationship with ODE to educate, train, and support local education authorities on the vocational habilitation service. Fully operationalize the Employment First Transition Framework. Build SSA capacity to review compensation standards, facilitate difficult conversations with	Develop communication and outreach tools to individuals, families, providers, and CB's ongoing throughout the process. Develop Service flow chart that providers/SSA's can use to show the range of adult day and employment services that are available. Develop Employment decision tree that providers can share with families and people with disabilities
identifying the skills to be developed, the main objective	per week the average American work and	families, understanding when to authorize Voc. Hab, and Voc. Hab rule requirements.
