

# Photograph and Video Release Form

## Easy Read Version

Ohio Department of Developmental Disabilities (DODD) wants to know if we can take pictures or video of you to use in some of our materials.

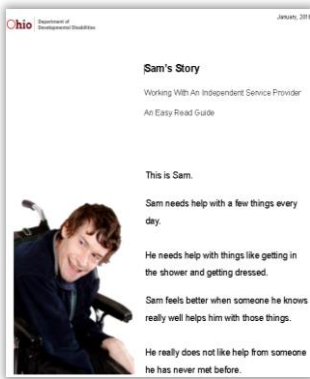

You have the right to choose whether or not you want DODD to take a picture or video of you.

If you say yes, you are giving DODD the right to use the pictures we take in places that we might normally use a picture, like in our

- Easy Read Guides,
- brochures,
- booklets,
- posters,
- or on our web site.

You have the right to say that you do not want DODD to take pictures or video of you.

# Is it ok if we take your picture?

DODD can use the pictures or video for things like Easy Read Guides, for brochures or on their website.

I will not be able to tell DODD how they can use pictures or video they take of me.
