Small Group Work

Purpose of the exercise:

Identify **no more than 20 features** of other states' services that are worthy of further study

Identify questions we have about these features so that we can use these questions to guide further study

Create 4 Small Groups – strive for diversity!

IN YOUR SMALL GROUP

STEP ONE: REACH AGREEMENT ON 2-5 FEATURES OF INTEREST

- ✓ 20 minutes: Crosswalk Review – scan all the features
- ✓ Optional: Know additional interesting features not listed? Share it with your group and add it in the “Other information” section on the Group Crosswalk document
- ✓ 30 minutes: Which features are worthy of further study?
- ✓ 10 Minutes: Reach agreement on 2-5 FEATURES worthy of further study
- ✓ Use a marker to highlight these features on the Group Crosswalk document

STEP TWO: IDENTIFY QUESTIONS TO ASK ABOUT SELECTED FEATURES

- Create a chart paper for each feature – put a ‘feature name’ at the top of the chart paper

(e.g. “NJ: No prevoc in workshops”)

- Use the chart paper to list questions to ask during further study
